SUBJECT: Newspaper clipping in re future pro-Nazi
Underground

Enclosed is clipping from the Washington Post of May 30, 1944, column by Paul Winckler, on Martin Bormann.

We believe this is especially interesting because of the reference to the future pro-Nazi underground. Also interesting is the reference to Bormann's relationships with the Germans.

Any further information along these lines would be helpful for rounding out our picture of "what the Nazis are planning to do in the future".
